

Magnum 4D Game Guide

Live life your way with Magnum 4D

How to Play

Magnum 4D is the original classic game and an all-time favourite. It is simple to understand and easy to play.

Pick a 4-digit number from 0000 to 9999.

Choose how you want to play (**Big Forecast, Small Forecast, or both**).

Place your buys for each Forecast chosen (**minimum RM1**).

You win when your 4D number matches one of the numbers we draw.

Game Methods

There are 5 different ways you can play – which means more ways you can win!

Straight Play

The basic idea – pick a 4-digit number, choose your Forecast, and place your buys.

Lucky Pick Play

Let our system generate a number for you.

mbox Play

Almost like Permutation Play – you pick any 4-digit number, and we'll cover all combinations of the digits in your number for a minimum buy of RM1. Your payout would be lower, but you'll have an even higher chance of winning.

Big or Small?

We draw 23 numbers. Your chances of winning depend on your Forecast.
