

mgold Game Guide

Grab your chance to live your dream life

HOW TO PLAY

mgold is a play variation of Magnum 4D Jackpot Gold. It's an affordable way to cover all 20 possible golden numbers.

Pick a set of any 6 numbers.

Minimum buy is RM2

You can stand a chance to win upwards of RM200,000!

GAME METHODS

Just like with Magnum 4D Jackpot Gold, you can also play with a few play variations.

Straight Play

Pick your lucky 6-digit number.

Lucky Pick

Let our system generate a lucky number for you!

Example lucky numbers	6-digit number
Your ATM PIN (eg. 980726)	980726
Your age + sold out 4D numbers (eg. 241003)	241003

Check If You've Won

See the winning numbers on our website or on the Magnum4D mobile app.

PRIZES
